Re: BOIL WATER ADVISORY REMOVAL – NBDTI Harvey Drinking Water System (DWS)

Dear: Resident(s)

Please be advised that repair work has been completed at the New Brunswick Department of Transportation and Infrastructure (NBDTI) Drinking Water System. Samples collected subsequent to the repair work meet the Guidelines for Canadian Drinking Water Quality. The boil water advisory issued for April 15, 2024, has now been removed.

Should you have any additional questions and/or concerns regarding this matter please contact the undersigned at (506) 453-5783 or Mark Timmerman, Public Health Inspector at (506) 453-2830.

Sincerely,

Monique Pelletier, P. Eng
Assistant Director – Environmental Services Branch
